First Day of School Mass

Our students started a brand new year with Seton Academy on Aug. 31. A morning mass led by Father Killian (Holy Ghost), and along with Msgr Baver (SSJ) and Msgr Baker (Incarnation), kicked off the 2009-2010 school year. During the mass the children were introduced to our new principal, Mrs Rutkiewicz. Father Killian gave an inspiring homily asking the children to do their best and to remember the sacrifices made by all so they can receive a catholic education at Seton Academy. The priests even shook the students hands as they were dismissed. What a great way to start the new year!

We Have a New Principal!!!

Mrs. Lori L. Rutkiewicz joined the Seton Academy family as our new principal this summer and we are so happy to have her. Mrs. "R" is full of energy and has already begun sprucing up the hallways. More about Mrs. "R" to follow in our next newsletter.

The Franklin Institute Traveling Science Exhibit.

The Franklin Institute visited Seton Academy on Sept. 11. They presented a fun and educational show on the human body. All of the

children enjoyed learning how food is digested and turned into fuel for our bodies and how muscles work. They especially enjoyed watching several of their classmates perform experiments demonstrating how skin and mucus protect us during the flu season. Very gross, but very fun!

A big thank you to all our parents, friends and families who take part in the various fundraisers held by the Parents' Guild. Programs like this would not be possible without the funds collected by the Parents' Guild.

Halloween Parade

Seton will be in this year's Bethlehem Halloween Parade on Sunday, Oct. 25! Our "Seton Stars" will be shining as we celebrate this year's theme: The Solar System. Be sure to cheer for our children and support our school when you see us at the parade!
